**Subject:** RE: CO Spill - Clips

the attachment has all the clips gathered from yesterday. Start a new email today.

Gather all the clips that happened between 6PM EST 8/11 through overnight to this morning and send them out.

**Subject:** RE: CO Spill - Clips

Okay, is there an email chain with all the clips in them yet? What time would you like new clips by?

**From:** Abrams, Dan  
**Sent:** Tuesday, August 11, 2015 9:41 AM  
**To:** Bressler, Lindsey  
**Subject:** FW: CO Spill - Clips

clips should be from 6PM EST August 10 through current.

As they come in keep replying to the email so all the previous clips are still together (as we've been doing them for the CPP)

key words – EPA, environmental protection agency, animas river, mine spill...etc
